

SERVICE ADVISOR

Doncaster Holden is one of Australia's leading Holden Dealerships. We currently require the services of an experienced Service Advisor to join the award winning team located in Doncaster.

The candidate we are looking for, as well as being an experienced Service Advisor is preferably a Qualified Mechanic. Your strengths lie in the areas of customer service and selling.

Ideally you would possess the following attributes:

- Prior dealership experience
- Strong communication skills
- High attention to detail
- Manage time effectively
- Computer literacy (Reynolds advantageous)

The successful applicant will become part of our growing business and will be offered a generous remuneration package based on experience and qualifications, an attractive incentive scheme, use of a fully maintained company vehicle and future opportunities for training and advancement within our group.
